

QUINTE AND DISTRICT REHABILITATION INC.

Providing quality, professional, client centered rehabilitation services

PHYSIOTHERAPIST

Full-Time and Part-Time Opportunities

Belleville – Hastings and Prince Edward Counties Kingston and surrounding areas

Quinte & District Rehabilitation (Quinte Rehab) is a progressive therapist-owned company with a diverse clientele requiring services in their homes and schools throughout Hastings and Prince Edward Counties, and Kingston and surrounding areas.

We are currently seeking a Physiotherapist to join our innovative and dynamic multidisciplinary team of therapists. You will be working primarily with adults in a home care setting. The adult population has a variety of musculoskeletal and neurological conditions, as well as orthopedic and frailty.

We offer you outstanding administrative support in a positive work environment, with competitive remuneration. Your professional autonomy will provide you with the flexibility of caseload and work schedule management through a self-employment model. You will enjoy a high level of satisfaction as a valued member of our successful and compassionate team.

Candidates must be registered and in good standing with the College of Physiotherapists of Ontario. ADP authorizer status is an asset. The use of a vehicle is necessary.

Please forward your resume along with a cover letter in confidence to:
