

QUINTE AND DISTRICT REHABILITATION INC.

Providing quality, professional, client centered rehabilitation services

Occupational Therapy Positions Children's Team and Adult in-home

Quinte & District Rehabilitation (Quinte Rehab) is a therapist owned company providing services to clients of all ages in their homes and schools throughout Hastings and Prince Edward Counties.

We offer outstanding administrative support in a positive work environment, with competitive remuneration. Your professional autonomy will provide you with flexibility of caseload and work schedule management through a self-employment model. You will enjoy a high level of satisfaction as a valued member of our successful and compassionate team.

Children's Team

We are currently seeking Occupational Therapists to join our Children's Team. OT's provide services primarily in the school setting through the School Health Support Services Program.

Adult In-Home Team.

Occupational Therapists working with the Adult OT team provide services primarily in client's homes though the South East LHIN. The Occupational Therapists assess and treat clients with a variety of diagnosis and needs, including those with neurological, orthopedic, arthritic and geriatric conditions. There is also opportunity to work with Veterans through Veterans Affairs Canada.

Candidates must be registered and in good standing with COTO. Use of a vehicle is necessary.

Please forward your resume along with a covering letter to:
