

QUINTE AND DISTRICT REHABILITATION INC.

Client Focused Home Care Professionals Serving the Hastings & Prince Edward Counties

Occupational Therapy Positions

Quinte & District Rehabilitation Inc. is a therapist owned company providing services to clients of all ages in their home, school and workplace throughout Hastings and Prince Edward Counties.

We are currently seeking OTs to join our Adult OT team. You will be joining an innovative and dynamic team of self-employed therapists working with an adult population primarily in the home setting. The Occupational Therapist assesses and treats clients with a variety of diagnosis and needs including those with neurological, orthopedic, arthritic and challenges related to aging.

We offer you a supportive work environment, competitive remuneration and the flexibility to manage your own work schedule and caseload through a self-employment model. You will experience a high level of personal satisfaction from being a part of a successful and supportive team and the enjoyment of working flexible hours with professional autonomy and office support.

Therapists must be registered and in good standing with the Ontario College of Occupational Therapists. Use of a vehicle is necessary.

Please forward your resume along with a covering letter to:
