

QUINTE AND DISTRICT REHABILITATION INC.

Providing quality, professional, client centered rehabilitation services

Occupational Therapy - Home Care

Quinte & District Rehabilitation (Quinte Rehab) is a therapist owned company providing community based therapy services throughout Hastings and Prince Edward Counties.

We are currently seeking an Occupational Therapist to join our innovative and dynamic multidiscipline team of therapists. You will be working primarily with adults and seniors in a home care setting.

There is also opportunity to work with veterans through Veterans Affairs Canada and employers to support Worksite Ergonomics / Health and Safety.

We offer outstanding administrative support in a positive work environment, with competitive remuneration. Your professional autonomy will provide you with flexibility of caseload and work schedule through a self-employment model. You will enjoy a high level of satisfaction as a valued member of our successful and compassionate team.

Candidates must be registered and in good standing with COTO. Use of a vehicle is necessary.

Please forward your resume along with a covering letter to:
