

QUINTE AND DISTRICT REHABILITATION INC.

Providing quality, professional, client centered rehabilitation services

SOCIAL WORKER

Quinte & District Rehabilitation (Quinte Rehab) is located along the Bay of Quinte. If you're looking to relocate or are new to the area, our community has so much to offer! We have an abundance of parks, trails and waterfront areas supporting active lifestyles. It is also a thriving arts and cultural community, with something for everyone.

Quinte Rehab is a progressive therapist owned company providing community-based therapy services throughout Hastings and Prince Edward Counties.

We are looking for a self-motivated **Social Worker** to join our innovative and dynamic multidiscipline team of therapists. You will be working with adults in a home care setting. Your scope of work will focus on: rehabilitation, chronic disease management, mental health, and palliative / end-of-life challenges. Your professional involvement and in-depth assessments will provide the necessary support to enable your clients and their families to achieve their agreed upon goals and outcomes.

We offer outstanding administrative support in a positive work environment, with competitive compensation. Our independent contractor model provides the flexibility that promotes a healthy work life balance. You will enjoy a high level of satisfaction as a valued member of our successful and compassionate team.

Your qualified candidacy will include a Masters or Bachelors (with experience) of Social Work degree. You are in good standing with the Ontario College of Social Workers and Social Service Workers. Use of a vehicle is necessary.
