

QUINTE AND DISTRICT REHABILITATION INC.

Providing quality, professional, client centered rehabilitation services

Director of Clinical & Quality Services

Quinte & District Rehabilitation (Quinte Rehab) is a progressive community-based therapy company providing service to clients in their homes and in our clinic setting.

We are currently seeking an experienced, self-motivated professional to lead our innovative and dynamic clinical team of Occupational Therapists, Physiotherapists, Social Workers, Speech Language Pathologists, and Dietitians. Responsibilities include:

Human Resources

- ✓ Ensure therapist capacity and competencies
- ✓ Oversee recruitment and retention activities

Quality Program & Risk Management

- ✓ Conduct compliance audits and analysis
- ✓ Assess, measure, and benchmark overall program effectiveness

Program Management/Development

- ✓ Effective leadership to support company strategic directives
- ✓ Responsive to Client, Family and community partner priorities

As the successful candidate you will have:

- Strong background in community rehabilitation at a management level
- Exemplary communication skills to motivate therapists and team leads
- Stellar organizational and leadership skills
- Excellent computer literacy pertaining to healthcare applications
- Formal training in Business, HR, Quality and/or Risk Management is preferred
- Registration with a Regulated Health Professional College
- Experience with Accreditation is an asset

Please forward your resume along with a covering letter to:
