

QUINTE AND DISTRICT REHABILITATION INC.

Providing quality, professional, client centered rehabilitation services

REGISTERED DIETITIAN - PART-TIME

Quinte & District Rehabilitation (Quinte Rehab) is a progressive therapist-owned company providing services to clients in their homes throughout Hastings & Prince Edward Counties.

We are looking for a Registered Dietitian to join our growing team.

Our Dietitians provide a range of therapeutic assessments and implementation of treatment plans for clients living in their own home. The dietetic client population in home care has a variety of diagnoses including chronic disease process, post-surgical need, wound healing and palliative care.

We offer outstanding administrative support in a positive work environment, with competitive remuneration. Your professional autonomy will provide you with flexibility of caseload and work schedule through a self-employment model. You will enjoy a high level of satisfaction as a valued member of our successful and compassionate team.

Candidates must be registered and in good standing with the College of Dietitian of Ontario.

Become part of our skilled and compassionate team, where your contribution is highly valued, guaranteeing a significant level of job satisfaction. If interested in applying, please send your resume and cover letter expressing your interest in the role.
